- 2.9. If any request for the Software Maintenance Services leads to the requirement for services outside the scope of the Software Maintenance Services, Bitplane shall inform Customer and provide a quotation for any additional charges that may apply for such additional services.
- 2.10. It is the responsibility of the Customer to download and install any Updates via Bitplane Portal when notified by Bitplane. If Customer chooses to disable the version update notification, the Customer shall check for the latest available version on Bitplane Portal, and Bitplane shall have no liability to Customer if Customer fails to do so.

3. SERVICE FEE AND PAYMENT

The following provisions of this clause 3 do not apply to Software Maintenance Services purchases made by the Customer from a Distributor. The terms of payment for Software Maintenance Services purchases made by the Customer from a Distributor shall be provided in the Distributor's Quotation or as otherwise provided by the Distributor.

- 3.1. Subject to any applicable Quotation, the Service Fee shall exclude value added tax and any other applicable taxes and duties. Unless costed for in any applicable Quotation, Bitplane may make reasonable additional charges for complying with any special requirements of Customer. Unless Customer provides Bitplane with appropriate tax exemption certificates, such additional charges shall be billed to Customer as a separate line item on each invoice.
- 3.2. Bitplane shall provide Customer with an invoice detailing the Service Fee and Customer shall pay the Service Fee within thirty (30) days of the date of such invoice unless stated otherwise in the Quotation or on the invoice.

- 3.5. Bitplane shall notify Customer ninety (90) days prior to the expiry of the Initial Period or any Extended Period of any increases in the Service Fee greater than five percent (5%) for the next Extended Period.
- 3.6. Time of payment is of the essence of every SMA. Without limiting Bitplane's remedies, if payment is overdue, Customer shall indemnify Bitplane against any legal fees and other costs of collection and (as well after as before judgment) shall pay to it a sum equal to any loss suffered by Bitplane arising from exchange rate fluctuations and interest on such sum and on the amount overdue at four per cent (4%) above the base rate from time to time of Barclays Bank PLC calculated from the date payment fell due until the date of actual payment (or such lesser amount as is the maximum rate permissible by law) and Bitplane may cancel the SMA and any other contracts and suspend performance of the Software Maintenance Services and suspend deliveries to Customer.
- 3.7. Any payment which would fall due later than it would have done but for delay caused by Customer shall be deemed to fall due when, but for Customer's delay, it might reasonably be expected to have fallen due. Bitplane may delay or withhold performance under the SMA until Customer has made any payment or opened any letter of credit or established any other payment arrangements which are due to be made, opened or established and the time for performance shall be extended accordingly.

4. CUSTOMER'S RESPONSIBILITIES

- 4.1. Customer shall ensure that the operating system on the computer on which the Software is installed is kept up-to-date. Customer

acknowledges that failure to comply with this clause 4.1 may result in Updates being incompatible with Customer's system and Bitplane is under no obligation to ensure that the Software continues to work on any out-of-date operating systems.

- 4.2. Customer shall grant full access (including remote access) to and use of its systems, equipment, premises, facilities, the Software and any necessary information to enable Bitplane to perform the Software Maintenance Services during Standard Support Hours and upon reasonable notice from Bitplane at any other time.

Customer shall ensure that Bitplane's personnel are made aware of all relevant safety procedures and regulations.
- 4.4. - 4.7. Customer shall take all precautions to protect its data and shall ensure that a regular back-up arrangement for such data is implemented before and during the provision of the Software Maintenance Services. Customer shall be responsible for restoring any lost or corrupted data unless such loss is caused by the negligence or wilful default of Bitplane. Where such loss is caused by the negligence or wilful default of Bitplane, Bitplane's liability shall be limited to the reinstatement cost, where reinstatement is possible, of all data proven to have been lost or irretrievably corrupted unless such loss or corruption has resulted from the failure of the Customer to take the above mentioned precautions to protect and perform regular back-ups of its data.

 - 4.10.1. Customer's failure to comply with any of its obligations under this clause 4; or
 - 4.10.2. the negligence or wilful misconduct of Customer.

5. EXCLUSIONS FROM SERVICES

 - 5.1.2. failure to maintain the necessary environmental conditions for use of the Software;

 - 5.1.6. any Update not authorised by Bitplane; or
 - 5.1.7. operator error.
- 5.2. Unless otherwise agreed in writing by Bitplane, there shall be excluded from the Software Maintenance Services and/or an additional fee will be payable to Bitplane for:

- 5.4. In the provision of Software Maintenance Services, Bitplane cannot guarantee the attendance of any particular individual as a Technical Support Expert and reserves the right to replace any Technical Support Expert with an appropriate alternative individual at any time.
- 5.5. Unless otherwise agreed in writing, the Technical Support Expert shall not be required to perform any services other than the Software Maintenance Services.

- 5.6. If any appointment with an Technical Support Expert is cancelled with less than twenty four (24) hours' notice, Bitplane may charge its standard rates for its times and expenses in respect of such appointment.

6. WARRANTY

- 6.1. Bitplane warrants that the Software Maintenance Services will be performed in accordance with all applicable laws and regulations and with reasonable skill and care.
- 6.2. If within the Warranty Period Bitplane has received notice from Customer that any Software Maintenance Services were not performed in accordance with the SMA, Bitplane shall at its option either re-perform any non-compliant Software Maintenance Services free of charge or refund to Customer the price paid for such Software Maintenance Services provided that:
 - 6.2.1. Customer gives written notice of the non-performance in question (with reasonable relevant information) to Bitplane as soon as reasonably practicable and within the Warranty Period;
 - 6.2.2. none of the exclusions set out in clause 5 apply;
 - 6.2.3. payment in full of all sums due in respect of the Software Maintenance Services has been made.
- 6.3. The Warranty Period for any Software Maintenance Services re-performed pursuant to clause 6.1 shall be the remaining period, if any, of such initial Warranty Period.

7. INTELLECTUAL PROPERTY AND CONFIDENTIALITY

- 7.1. All inventions, designs, copyrights and processes and all and any other intellectual or industrial property rights whether or not registered or registerable and all goodwill associated thereto relevant to the Software Maintenance Services and all specifications, designs, programs or other material issued by or on behalf of Bitplane shall, as between Bitplane and Customer, remain the absolute property of Bitplane. Customer shall not acquire any right or interest in the same except, if the Quotation so requires, Bitplane shall grant or procure the grant of a licence to use materials created specifically for Customer in the course of the Software Maintenance Services.
- 7.2. Customer acknowledges that all specifications, design, programs or other material including know-how, plans, drawings and price lists issued by or on behalf of Bitplane and any other information received by it during or as a result of the Software Maintenance Services are confidential and agrees not to use them or any other confidential information of Bitplane for any purpose (other than the purpose for which the information was disclosed) nor reproduce them in any form nor disclose them to third parties.

8. EXCLUSION AND LIMITATION OF LIABILITY

- 8.1. In order to keep the Service Fee as low as possible and as Customer is better able than Bitplane to quantify loss which it may suffer from a breach of the SMA and to insure accordingly, Customer agrees to Bitplane limiting its liability as set out in this clause 8, subject always to clause 8.9.
- 8.2. Subject to clause 8.8, if Bitplane has properly re-performed the Software Maintenance Services in accordance with clause 6.2, it shall have no further liability in respect of such default in the Software Maintenance Services unless proper performance is not possible in which case Bitplane's liability shall be limited to refunding any monies paid in respect of such defective Software Maintenance Services.
- 8.3. Customer acknowledges that Bitplane's obligations and liabilities in respect of the Software Maintenance Services are exhaustively defined in these Terms and that, subject to clause 8.8, such express obligations are in lieu of and to the exclusion of any other warranty, condition, term, undertaking or representation of any kind, express or implied, statutory or otherwise relating to the Software Maintenance Services including, as to the condition, quality, performance or fitness for any purpose of the Software Maintenance Services or any part of them.
- 8.4. All dates supplied by Bitplane for the delivery or the Updates or the provision of Software Maintenance Services shall be treated as approximate only. Bitplane shall not in any circumstances be liable for any loss or damage arising from any delay in delivery beyond such approximate dates.
- 8.5. Subject to clause 8.9, Bitplane shall under no circumstances be liable to Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, revenue, benefit, anticipated savings or goodwill, loss of use of any asset, loss of data, business interruption, management costs or third party liability, any loss which procedures and precautions implemented by the other party (or which would generally be implemented by a person exercising a degree of skill, diligence, prudence and foresight which would reasonably and ordinarily be expected from a reasonably and appropriately skilled and experienced person in the same or similar circumstances) could have prevented or reduced, or for any indirect or consequential loss arising out of or in connection with the SMA, or for any claim against Customer by any other party, even if Bitplane has been advised of the possibility of such loss or damages.
- 8.6. Subject to clause 8.9, the aggregate liability of Bitplane (whether in contract, tort, breach of statutory duty or otherwise) for all breaches under or non-performance of its obligations or contemplated by the SMA shall not exceed a sum equal to one and a half times the Service

Fee save that this clause 8 shall not limit or exclude any liability of Bitplane which cannot be effectively excluded in law.

- 8.7. Without prejudice to the foregoing, the provision of the Software Maintenance Services is not a guarantee that any Software will operate uninterrupted or without error.
- 8.8. Any liability of Bitplane under any warranty, indemnity or other obligation stated or confirmed in the Quotation is subject to all exclusions and limitations in these Terms.
- 8.9. Nothing in the SMA shall limit or exclude the liability of Bitplane for (i) death or personal injury caused by its negligence; (ii) fraud or fraudulent misrepresentation; or, (iii) any other liability which may not be excluded or limited by law.
- 8.10. Bitplane shall not be responsible or liable for:
 - 8.10.1. any loss, damage, cost or expense arising from any mistake, defect, virus, poor quality of or inaccuracy in any program, electronic communication or other materials specified or supplied by or on behalf of Customer, all of which shall be for the sole account of Customer which shall indemnify Bitplane against any liability in relation to the same; or
 - 8.10.2. any failure to perform, or delay in performing, any Software Maintenance Services which is caused or contributed to by a breach by Customer of its obligations under the SMA and Bitplane shall be entitled to rely on all information and materials provided by Customer without verifying the same.
- 8.11. If Bitplane obtains performance of any of the Software Maintenance Services by any of its associates or any sub-contractor, such associate or sub-contractor shall be entitled to the benefit of this clause 8 and to enforce it on its own behalf.

9. TERM AND TERMINATION

- 9.1. The SMA shall begin on the Commencement Date and, unless terminated earlier in accordance with this clause 9, shall continue for the Initial Period.
- 9.2. Bitplane and Customer may agree to extend the Initial Period for any number of one year periods thereafter (each being a "Renewal Period") for an additional fee.
- 9.3. During any Renewal Period, either Bitplane or Customer may terminate the SMA in whole or in part on sixty (60) days' notice in writing to the other, such notice expiring on the expiry of such Renewal Period.
- 9.4. During the Term, Bitplane may terminate the SMA in whole or in part and every other contract with Customer if:

has an effect equivalent or similar to any of the events mentioned in clauses 9.4.3 to 9.4.6 above.

10. FORCE MAJEURE

Bitplane shall not be liable for any failure to perform its obligations hereunder by reason of any cause whatsoever beyond its reasonable control (including trade dispute; fire, flood or act of god; armed conflict, riot or civil commotion; terrorist act, equipment or supply difficulties; any rule or action of any public authority; transportation delays; refusal or delay in granting any necessary licence or permit; epidemic illness; failure by suppliers; compliance with any law or government order, rule, regulation or direction; failure or interruption of internet communications or telecommunications, criminal or malicious damage to networks, systems or premises; or any repudiatory event by Customer).
